By Michael Erlewine ([Michael@Erlewine.net](mailto:Michael@Erlewine.net))

This is for my astrology friends and may be a little technical for the rest of you. Our online Web-Apps now include a number of chart options for professional astrologers. Aside from a full Time-Change Atlas, here are the options:

(1) Tropical Sidereal: Our sidereal option offers you the choice of ten ayanamsas, including: Fagan/Bradley, DeLuce, Lahiri, Raman, Usha-Shashi, Sri Yukteswar, Sunara Rajan, Larry Ely, Shil Pond.

(2) 14 House Systems: Aries Houses, Campanus, Equal, Koch, Meridian, Morinus, Placidus, Porphyry, Regiomontanus, Sign=House, Solar Houses, Sripati, Topocentric, Vedic Equal.

(3) Mean or True Node

(4) Part of Fortune: Day or Night.

(5) Parallax Moon

(6) Geocentric or Geographic Latitude.

We hope you enjoy these options and you can find them now the AstroTalk free report and it will be on the "Matrix Astrology" app in a day or so. See the graphic for details. You can download it in high resolution if you need it larger.
