

QUESTION FOR MY SIXTIES FRIENDS  
December 30, 2010

By Michael Erlewine ([Michael@Erlewine.net](mailto:Michael@Erlewine.net))

Those of you who are old enough to have been there in the 1960s, I have three questions for you:

- (1) What year (and/or event) marked the start of the 1960s for you?
- (2) What was the catalyst, event, or interest that best earmarks the 1960s for you?
- (3) When did the Sixties end for you, year and/or event?

Please humor me and be kind enough to participate. If you don't feel comfortable commenting here, you can email me privately at:

I very much appreciate your thoughts.

Michael
