

FREE CLOSE-UP AND MACRO PHOTOGRAPHY BOOKS NOW AVAILABLE

February 28, 2011

By Michael Erlewine (Michael@Erlewine.net)

These two new free e-books on macro and close-up photography are now posted and available for download at either of these sites:

<http://macrostop.com/>

[/http://astrologysoftware.com/books/index.asp?orig](http://astrologysoftware.com/books/index.asp?orig)

Hope those photographers out there enjoy them!

Michael

[Two New Macro Photography Books](#) (2 photos)

This is the 2nd edition of "The Art of Focus Stacking," a primer on macro and close-up photography. To be released as a free e-book on Monday February 28th. They will be available for download at MacroStop.com.
