

IMAGINE WHAT I DON'T KNOW
March 18, 2013

By Michael Erlewine (Michael@Erlewine.net)

Imagining what I don't know,
And I don't know,
I imagine what I don't know.

I know what I imagine,
Is what I don't know,
And what I know,
Is not what I imagined.

That much I know.

I can only imagine what I don't know.
