

THE STATE I'M IN
October 18, 2010

By Michael Erlewine (Michael@Erlewine.net)

This photo shows the state I'm in, now inside looking out, instead of just outside... 'looking'. Each year I say I will get some warmer clothes and spend more time just outside, and I do. I have a closet full, but they don't seem to coax me out all THAT much. Maybe this year. Oh well.
