

CLEAN HOUSE - JUNIPER SMUDGE
November 7, 2010

By Michael Erlewine (Michael@Erlewine.net)

I am cleaning house, clearing out unwanted stuff. The photo is a juniper smudge stick, used to remove what needs removing and add what should be added. This poem came out:

Keep in Mind:

Someone,
Gets something.

Everyone,
Gets everything.

No one,
Gets nothing.
