### Classic Posers - Major Bands in the South and Southwest

by Michael Erlewine

Here are some of the major bands and performers that have appeared on posters for this region. The bands for each city are hyperlinked, so that you can check out their other posters. They are also listed in chronological order, from the date their work first appears in our database. In many cases, but not all by any means, their listing here may indicate that they live near or have done a lot of gigs in this locale or town.

los Marauders 1992
