Commander Cody and his Lost Planet Airmen, Buddies In the Saddle at
Hill Auditorium - Ann Arbor, MI
Notes: This is a great piece by Chris Frayne, who worked under
the name of Ozone. Frayne, is one of the more important poster
artists in the Midwest. Unfortunately, Frayne died at an early age
and not much has been done to collect and document his work. Much of
his work can be seen illustrating the Commander Cody band. George
Frayne, Commander Cody, was his older brother. This is a very fine
Ozone piece, one of his best.
