Robert Johnson: Hell Hound On My Trail

Notes: This is a large serigraph (20 screens) print, 27 x 28 inches, with the image size of 14 x 18-1/2 in the center. The paper is very heavy, Rives BFK cream, 280 gram 100% cotton archival paper. This is a numbered series of 220 prints, signed by the author. The colors and everything about this print is gorgeous. Robert Johnson is the quintessential Mississippi Delta blues man, here memorialized

by Robert Crumb. I have one of these and it is powerful to behold, with rich, deep colors. It is a large piece with a powerful impact.

Cheap Thrills Album Cover Print

Notes: This is a large serigraph print, 27 x 28 inches, with the image size of 121 x 21 in the center. The paper is very heavy, Rives BFK cream, 280 gram 100% cotton archival paper. This is a numbered series of 250 prints, signed by the author. This is a very large piece, perfectly printed, a 24-color serigraph. Very hard to find and more beautiful than this small thumbnail can show. Hey, it's that album, but much larger. Looks great framed. - Michael Erlewine.
