Initiation, Announcement of Psychedelic Solution Gallery

Notes: There were 3 complete sets of cards released by the
Psychedelic solution:

1. A set with a purple/yellow label on gray or purple envelopes.
This set contains 34 cards.
2. A set with a purple/yellow label on gray or purple envelopes.
This set contains 31 cards, and the enclosure.
3. A set with a B/W label on purple envelopes only . This set
contains 33 cards.

This is set # 2.

The Psychedelic Solution produced its first show in 1986, and its
last in 1995. In the Fall of 2004, Jacober Kastor sold his entire
collection to Wolfgang's Vault and closed the storefront at 33 w.
8th Street, 2nd Floor in New York City. Poster experts that I have
met generally agree that J. Kastor is the poster experts expert. An
era has ended and these sets (if you can find them) memorialize the
shows.

Psychedelic Solution Gallery Art Shows

A really nice and still affordable set of cards is that of the art shows at the Psychedelic Solution Gallery in New York City. Run by poster archivist and expert Jacaeber Kastor, it was an influential place, and figured centrally in the 80's resurgence of interest in psychedelic art, graphics, and style.

The Psychedelic Solution was a pioneer in posters-as-art galleries, and was the principle gallery on the East Coast.

Starting in 1986, there was a run of 23 shows, some with multiple cards. Kastor pioneered a wide variety of alternative art shows, years before these sort of shows (tattoos, blotter acid, hot-rod art, etc.) became fashionable. The last show ended in 1995. The Psychedelic Solution Gallery closed its doors in late 2004, the end of an era.

Aside from collecting the individual cards, Psychedelic Solution has on occasion made these available as sets. There are three versions of the card sets:

- (1) A purple on yellow label on gray or purple envelopes, a 34 piece set.
- (2) A purple on yellow label on gray or purple envelopes, but a 32 piece set.
- (3) A B&W label on a purple envelope, with 33 pieces.

For the most part, these are 5x7 cards, enabled for mailing. The cards are mostly in color, and include a wide variety of artists, such as Rick Griffin, Wes Wilson, Victor Moscoso, Robert Williams, John Van Hammersveld, Stanley Mouse, Alton Kelley, Lee Conklin, and many others.

This undervalued set is very collectible and still available, the last I checked. I am very happy to have a set in my own collection. A complete inventory of this collection is available for your scrutiny. Contact Michael Erlewine at info@ClassicPosters.com with questions of for more details.
